To Whom It Might Concern:

It is with pleasure I write this Letter of Recommendation for Carla McConkey. I have known and worked with Carla as the organizer of an annual charity golf outing since 2007. I have **always found Carla to be very professional, detail oriented and committed** to creating a successful event. In my capacity, I work with well over 100 golf event coordinators annually and would say that **Carla is one of the most organized that I have ever worked with**. It also speaks very well of her that she was **hired by her former employer** to work on the charity event even after leaving their employment.

I have also **always found Carla to be very creative in her approach** to organizing the annual event. This expertise has allowed her the opportunity to pursue her own business. **She is very personable and I have also witnessed the respect for her** from her co-workers and staff at Ruffled Feathers Golf Club and the positive interaction she had with supporters of her not-for-profit foundation.

It would be beneficial to any organization to give Carla McConkey consideration for any position where she could demonstrate her proven skills. I would be happy to further elaborate and invite any potential employer to contact me directly.

Sincerely,

Bob Kotula
